Dissemination of AEPDIRI's Research Activities: Poster Section

I. INTRODUCTION

The organizers of the XXX Conference of the Spanish Association of Professors of International Law and International Relations aim to transform the September 2023 meeting into a forum for the dissemination of research activities and results in International Law, European Union Law, and International Relations, by launching a Poster Section.

In this regard, all members of AEPDIRI are invited to graphically present their activities and academic results in the form of a poster, within the framework of active research projects or those that have been carried out in the last two years.

Members of the Association who wish to submit their posters (one per project) must be registered for the Conference.
